CA NO.

On July 16th 2019, I, Patrolman Boone observed a gold Chevy Cavalier traveling North across the Patrick Street bridge which then proceeded to travel East on Kanawha Blvd. West. I attempted to conduct a traffic stop on this vehicle for improper registration display. As I initiated the traffic stop the vehicle did slow down, but continued to travel east on Kanawha Blvd. while ignoring my emergency lights. The vehicle then turned North onto Florida Street where it eventually pulled into an alley way near the railroad trestles on Central Ave. where the driver of the vehicle later identified as Randy Price had fled on foot. Upon questioning the defendant, he admitted he did have a firearm inside the vehicle and informed authorities he is a convicted felon. Officers conducted a search of the vehicle and did locate a Raven Arms .25 Auto Semi Automatic pistol which had the serial number obliterated off of it. The defendant was later mirandized in a formal interview and admitted to buying said firearm approximately two weeks ago and had prior knowledge that he was prohibited from possessing or owning any firearms. On a criminal history check of the defendant, the defendant has multiple felony convictions. In 2010 the defendant was convicted of felonious assault, aggravated robbery, and kidnapping through the state of Ohio. In 2001 the defendant was convicted for attempted aggravated burglary and involuntary manslaughter through the state of Ohio. This offense did occur in the City of Charleston, Kanawha County West Virginia.
